Ref. No.: 08

To the
Turkish Private Schools Association

Dear Mr CemGülan

Dear Mr Yusuf Tavukçuoğlu

There are no words to express our sorrow and shock, hearing about the dreadful terrorist attack in Istanbul and the resulting loss of lives.

It is our duty, as educators, to ensure that extremism and hate will be eradicated and in the future, the world will be a much safer place for our children.

Our prayers and thoughts are with you and the Turkish people during this horrible time.

Yours sincerely,

For The Board of the Hellenic Association of Independent Schools
