Hellenic Association of Independent Schools

Dear Mr. CHARALAMPOS KIRAILIDIS,
Dear Mr. ALKIVIADIS PANAGIOTOPOULOS,

Thank you very much for your kind and sincere mail about the terrorist attack in Istanbul.

We believe that terrorism has no nation or religion and only way to solve this problem is education. When we say education that is not only the educate the brains but educate the soul of the human beings.

So as you say it is our duty to do that. It is the hardest and most important work for the better and safer world for our children.

We again thank to your thoughts and prayers for us and wish you the same for you and your nation.

Best and Sincere Regards,

On behalf of The Board of the Turkish Private Schools Association
